TRAVEL DIRECTIONS (Carrington Hall, University of North Carolina at Chapel Hill)

You must "prepare for success", so don't leave home without a map and a plan to arrive to class on time. Use a NC Highway map to get to Chapel Hill and study the maps below or use Google Maps, Map Quest, or whatever is necessary to find the campus, parking lots and Carrington Hall. **DO NOT WAIT** until the last minute and call somebody to tell you how to get to class! Verbal directions are universally misinterpreted, resulting in a frustrating travel experience and generating high levels of tension. You don't want these feelings prior to GRE PREP or prior to taking the official GRE.

Credit Union Parking Lot

FedEx Global Education Center Parking Garage

PARKING

Students attending the traditional classroom model will park in the **FedEx Global Education Center Parking Garage** when it is not closed for sporting events. This garage is located under the Global Education Center located at the intersection of Pittsboro and McCauley Streets. See map above. The sign on the garage says "Employees Only" which is TRUE on Mondays thru Fridays. You may park for FREE on Saturdays.

An alternate lot is the **Credit Union Parking Lot** located at 310 Pittsboro Street (see map above). Warning signs are posted regarding parking during business hours, but since Saturday is a non-business day, you will not be towed or ticketed.

CLASSROOM

Room L700 (Lobby level) in the new addition to Carrington Hall. We will place signage on the lobby door that opens to Medical Drive and direct you to the classroom, but since Carrington Hall has over 15 doors to access the building, you must go to the lobby door that will be unlocked. **Plan to arrive for each class by 8:45 am.** Campus Security will unlock the Lobby Door at 8:30 am. If you arrive earlier, you may want to visit the coffee shop or cafeteria located in UNC Hospitals. **For security reasons, the lobby door will be unlocked ONLY between 8:30 - 9:30 am and 12:30 - 1:30 pm. Plan to arrive on time for the morning and afternoon session.**

When parking in the **FedEx Global Education Center Parking Garage**, walk down McCauley Street and turn right onto South Columbia Street. Carrington Hall will be on the left (east) side of South Columbia Street. Room **L700** is located at the left end of the newly constructed building, directly across from the entrance to the NC AHEC Health Affairs Book Store. One of the external doors to the building will be unlocked, so look for the GRE PREP signs pointing the way.

When parking in the **Credit Union Parking Lot**, you can thread your way between the School of Social Work and the School of Pharmacy to cross South Columbia Street, or just walk up to McCauley Street and then turn right onto South Columbia Street. Carrington Hall will be on the left (east) side of South Columbia Street.

HANDICAPPED PARKING

UNC provides many parking spaces if you have stickers or a license plate authorizing handicapped parking. You will find many slots located on Medical Drive between the Health Affairs Book Store and Carrington Hall.

PARKING ON "GAME" SATURDAYS

When UNC hosts a football or basketball game, parking will be slim. The Credit Union is taken over by families and the rules for the new FedEx Global Education Center Parking Garage vary; thus, check at the FedEx Global Education Center Parking Garage first, then the Credit Union. If all else fails, you can park in the UNC Hospitals Parking Garage and walk over to the School of Nursing. It is only 1/2 mile away....as the crow flies. Assuming you want the crow's route, enter any of the UNC Hospital entrances and ask for directions to the rear exit located beside the Blood Bank / Old Emergency Room Entrance. The School of Nursing is just outside that entrance.

If you have problems on the day of a class, call PrepSuccess by dialing 919-791-0810.
